

What's the best age to have a facelift?

8:39 - 25 SEP 2014

"[At the age of 65] was when I started to get worried."

– Dee on why she had her facelift

Meet Dee Dawson, 67, who spent £25,000 on a facelift for her daughter's wedding. [Dr Hilary](#) joins Dee to discuss why the number of people having facelifts have nearly doubled in five years, what the best age to have one is and why more and more older women are opting for them.
